

## Poetry in Motion - Acrostic Poems

It's a beautiful game! Sometimes a player's footwork can look like poetry - a thing of true beauty. This challenge is to see if you can capture your favourite player's skill in an acrostic poem. Write the letters that make up your player's name in a column down the left. Next, write some words to flow from that letter, it doesn't have to rhyme!

A large rectangular box with a pink border, containing 18 horizontal lines for writing an acrostic poem.
