Transport: In this section, we will help guide you through getting to the stadium via all methods of transport.

Travel by Train -

There is only one route by train into Mansfield and that is the Worksop train which leaves from Nottingham Station. The stop you need is the Mansfield station, **not** Mansfield Woodhouse.

After leaving the station walk down the main road past St Peter's retail park, until you see the sign for **Portland Retail Park**. On your way to the Portland Retail Park you will be able to see the upper tier of the Ian Greaves Stand. Once you are there you can see the North Stand and that is where you will be viewing the match from.

Travel by Car – If you are travelling by car from **North** of Mansfield then we recommend that you take the M1 exiting at junction 29, then

join the A617 towards Mansfield. After around six miles turn right into Rosemary Street, then proceed to Quarry Lane, where you should turn right to arrive at One Call Stadium.

If you are visiting us from the **East** then the best route is to take the A617 towards Rainworth and at the crossroads, turn left. After approximately three miles, turn right into Nottingham Road and then take a left turn into Quarry Lane, where you will see One Call Stadium on your right-hand side.

Visitors from the **South** of the country should take the M1 exiting at junction 28, then take the A38 towards Mansfield. After around six miles turn right into Belvedere Street (at crossroads), then after a quarter of a mile, turn right into Quarry Lane for One Call Stadium.

Finally, if you are travelling from the **West**, from junction 28 of the M1, take the A38 towards Mansfield. After around six miles, turn right into Belvedere Street (at crossroads), then after a quarter of a mile, take a right turn into Quarry Lane.

For SAT NAV users the Post Code is NG18 5DA.

Car Parking Spaces – Limited car parking spaces are available, they cost £5 each and are sold on a 'first come, first served' basis.

At One Call Stadium, we have a total of 113 seats for disabled fans, 28 of those being for away supporters. Ticket prices are still the same as on the previous pages, however, a person is eligible for a free carer's ticket if they have:

- Proof of entitlement to the higher rate of the Disability Living Allowance (DLA).
- Proof of entitlement to the enhanced rate of the Personal Independence Payment (PIP).
- A copy of registration documents which certify Registered Blind status or qualifying documentation from a registered optician equivalent to registration requirements.

Hospitality –

Here at Mansfield Town we aim to give fans the best experience possible, no matter what club they support. We provide refreshments at all times during matchday and we take pride in our Sandy Pate Sports Bar, along with refreshment kiosks scattered around the ground. The bar is located to the rear of the Ian Greaves Stand, opposite the 3G pitch.

Please bear in mind that if you are a fan of a rival club (i.e. Notts County, Chesterfield) that you may not be granted entry for obvious reasons.

Before and after the match –

Matchday programmes can be purchased for £3 from either the club shop, a programme seller or a merchandise stall.

Pubs can be found closer to the town centre which is around a 10 minute walk from the stadium. The pubs are friendly and welcoming of most away supporters, but again fans of rival clubs may not be granted entrance.
