

# WHAT'S ON IN THE FAMILY STAND

Notts County v Colchester United

Saturday 25 November, 3pm

All activities are available from the time the turnstiles open (normally 90 mins before kick-off) until kick-off. When face painting or glitter tattoos are available, these will also be available at half time.

## FREE face painting

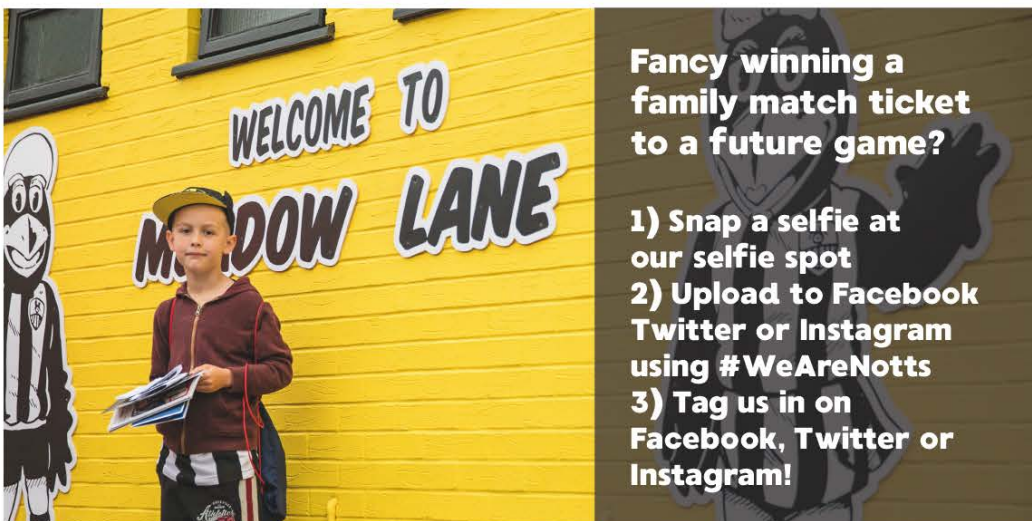

Get your face painted for free with Face Art by Petra. Petra has loads of designs, including a very special exclusive Notts County design! Find the face painting stand next to the entrance to the concourse.

## 4G Skills Centre - Juniors must bring a spare pair of clean trainers

The Skills Centre is run by Notts coaches and is open to all juniors, but a spare pair of clean trainers is required as it takes place on our brand new 4G pitch, which is used by the first team during the week! Users are required to change their shoes and spectators must stand in the allocated area to help keep the surface in optimum condition.

## Mrs Magpie's Tuck Shop (Yellow Zone)

Run by volunteers, the tuck shop is the go-to place for sweets and treats in the Family Stand, with all profits being reinvested back into projects around the club. Sweets, crisps, chocolate and drinks are all available, each item priced 50p. Find the tuck shop in the yellow zone!

Fancy winning a family match ticket to a future game?

- 1) Snap a selfie at our selfie spot
- 2) Upload to Facebook Twitter or Instagram using #WeAreNotts
- 3) Tag us in on Facebook, Twitter or Instagram!
